

Intervals from show songs

As a further help to pitching 3rds, 4ths, 5ths, 6ths, etc..try to **build up your own 'bank' of intervals.**
These can be musical snippets collected from hymns, pop songs, carols, tv jinglesanything!!

The following examples are based on melody 'snatches' from musicals or well-known songs.....

Another op'nin', another show.... (Kiss me Kate)

Soprano Alto

Tenor Bass

An - oth - er op' - nin', an - oth - er show

The best things in life are free...(Good News)

S

B

The moon be - longs to (ev'ry one)

If I ruled the World... (Pickwick)

S

B

If I (ruled the) And now (the end is near)

Moonlight becomes You....

S

B

Moon - light, be - comes you, (it glows in....) (It's a) grand night (for)

Fiddler on the Roof

S

B

A way a - bove my

Remember!! INTERVALS are described numerically and are reckoned by the number of notes included in their formation.
